

Picture Ornaments

MATERIALS:

Family or school photos
Cardboard
Non-toxic glue
Scissors
Craft sticks
Markers, paint, glitter &
ribbon for decoration

Picture ornaments are the perfect way to personalize a holiday tree. They also offer a unique way to display family or individual photos.

Select a special family photo or a child's individual school photo and glue it to a piece of cardboard. Make a frame around the cardboard with craft sticks.

Your child can decorate the frame with markers, paint, glitter, and ribbon. Attach a ribbon to the top of the frame and have your child display it proudly on the Christmas tree.
